“JUDGES DECISION IS FINAL”

BYTE BATTLE

RULES AND REGULATIONS:

Each team can consist of a maximum of two participants.

Each team/participant will be given a set of challenges with intentional "bugs."

Points will be awarded based on the number of correct solutions.

Basic logical puzzles with small bugs will be provided.

Example: "If $a = 5$ and $B = 10$ then $A + B = 14$ Identify the bug."

"Identify errors in a pseudocode."

Awards: Based on accuracy and time taken.

DICE & RISE

INSTRUCTIONS:

- Number of participants can be 1 or 2(max).
- Quiz will be consisting of technical questions.
- If the team answers correctly, the dice will be rolled and move accordingly.
- Instead of snake and ladder, the game may consist of mystery boxes.
- The first 3 teams which reaches the final position will be rewarded.

A stage with red curtains and spotlights. The scene is set in a theater with a stage floor made of wooden planks. Two spotlights are mounted on the ceiling, casting a warm glow on the curtains. The curtains are a deep red color with vertical folds. The text "THANK YOU !" is centered on the curtains in a bold, yellow, sans-serif font.

THANK YOU !
